A very nice audience turned out for service. A number of members and friends who had not attended service for some time were present.

Enjoyable music was rendered by the senior choir, under the direction of Mr. Tim Lawing, for the morning worship.

We went home feeling that the worship hour was well spent.

A very appreciative number attended the 10 o'clock Sunday School period.

Theme - "Love Among Believers" John 13:1,5,12-14, 34-35.

Memory Selection - *"By this all men will know that you are my disciples, if you have love for one another." [John 13:35]*

The lesson was well explained by the teachers in charge. The offering for the morning in church and Sunday school, was liberal.

In and out of town over the week end.

Mr. and Mrs. John A. Watson, Mr. and Mrs. Johnny Watson, and little niece, visited their sister and aunt, Miss Pearl Watson, and friends in Roanoke, Va. Sunday. They reported the visit as very pleasant, and that they enjoyed themselves very much.

Many relatives and friends attended the funeral service of the late Mrs. Artie Richardson the mother of the late Mrs. Florence Brantley and Mrs. Ellen Bigger in Farmville Friday at 3 p.m.

We regret the passing of the late Mrs. Richardson very much.

Mr. and Mrs. Jerry Bigger, of Yoke, Pa., visited Mrs. Maggie Tibbs and relatives in Appomattox, Va. this week end

See you next week.

Flood Insurance Program Adopted By Council

surance and Flood Plain Studies, 2111 N. Hamilton Street, Richmond, Virginia 23230.

Harry G. Lawson, Attorney At Law, representing the Triangle Plaza Shopping Center, appeared before Council to clarify the town's position on water and sewer taps on future construction of businesses in the shopping center.

Council authorized con- nections for the office building now under construction at the Triangle Plaza Shopping Cen- ter.

At the December meeting of the Town Council of Appomat- tox, action was taken to purchase a sewage pump station at a cost of $8229.00. The price has increased to $10,450 at this time and on the recommendation of the water and sewer committee council voted to go ahead with this purchase.

Council was informed that all right-of-way for curb, gutter and sidewalk on the in-town portion of 1002 is totally acquired now with the ex- ception of the right-of-way from one property owner. They expressed their appreciation to these property owners who donated right-of-way in the interest and safety of students attending the new county high school, and indicated that negotiations will continue in order to obtain the right-of-way from the one property owner that is holding up the complete acquisition of the right-of-way.

In other business, W. S. Slagle, Town Manager, in- formed council that the fence around the Town storage lot has been completed and that the Highway Department will begin construction on the curb and gutter along High Street in the very near future. He further informed members of council that a quarterly Revenue Sharing Check in the amount of $4108.00 had been received.

On the recommendation of the Water and Sewer Com- mittee, council voted to install another pump in the booster station and approved the installation of the 6 inch water line along Morton Lane to serve the proposed County Office Building if the County will purchase the materials.

Council gave approval for the Town Hall to be used as a voting precinct from 1 to 3 times a year.

The newly annexed area in the Town of Appomattox must be zoned in accordance with the Town zoning ordinance. Council voted to refer this matter to the local Planning Commission.

Car License Decal Sales Lagging

Cont'd from Page 1

"What they don't realize," explains Commissioner Vern L. Hill, "is that trucks, trailers, motorcycles - All except pass- enger cars - are still on the annual basis, and these license plates also expire on March 31. Once all passenger cars are on the staggered - month system, the trucks and special vehicles should pose no problem to handle in March. But, if these passenger car owners wait until the last minute, they could find themselves waiting in lines at our offices. And that kind of inconvenience is just what we have been trying to eliminate."

Hill also urges car owners who selected a renewal month, but who may have mislaid or not have received an extension notice, to contact the nearest DMV office or license agency, immediately.
